* The McFarlane Aviation part numbers are the same as the Cessna part numbers with a "MC" prefix. The "MC" prefix denotes McFarlane Aviation manufacture. The McFarlane Aviation part numbers have the same application as the equivalent Cessna part number for the listed aircraft model series. Some model series have only partial eligibility. Cessna Parts Catalog must be consulted before installation.

* The McFarlane Aviation part numbers are the same as the Cessna part numbers with a "MC" prefix. The "MC" prefix denotes McFarlane Aviation manufacture. The McFarlane Aviation part numbers have the same application as the equivalent Cessna part number for the listed aircraft model series. Some model series have only partial eligibility. Cessna Parts Catalog must be consulted before installation.
